Titles

Advise and dissent: Warren Olney and the Club. Keough. F/Mr 78: 20.
 Alaska 1978—The president's greatest environmental opportunity. Wayburn. O/N/D 78: 7.
 Alaska in the House: how they voted. Staff. S 78: 6-7.

College of the Atlantic

College of the Atlantic in Bar Harbor, Maine, offers a B.A. in Human Ecology. The community of 125 students and 20 faculty study the interactions between humans and the natural and social environments through an interdisciplinary, problem-solving curriculum. In courses, workshops, field study, independent study, and internships the areas of Environmental Sciences, Environmental Design and Planning, Social and Cultural Studies, and Values and Consciousness are explored. A fully accredited, 4-year college founded in 1969. For more information write: Admissions Office, Box S, Bar Harbor, ME 04609.
